President's Message

Members and Visitors,

Difficult times continue for most sporting clubs, particularly competing in a COVID regulatory environment. We are financially sound, but we do have to keep our operating costs in check. Our membership growth continues, seemingly, but once our membership renewals become evident (an annual thing at this time), we will have a better idea of our membership numbers.

This year, we have elected a new Club Captain, Lance Burton. We wish Lance all the best, and I ask members to support him at every opportunity. It is a big job.

We have a largely new Committee, and we are continuing to look at our overall operations to ensure that we are able to weather the COVID storm which does not appear to be abating.

Many thanks to our band of volunteers who continue to put in many hours, to keep the bar operations functioning. Furthermore, our Greenkeeper, Cedric Gleeson is doing a wonderful job in presenting the course, and he is also aided by volunteers who assist him with maintenance around the course on a weekly basis. We expect to see continuing limitations placed upon us by Urban Utilities or other bodies, in the amount of water available for the course. Rationing is underway, and negotiations continue with the Government Authorities on the future distribution of treated water from the new plant.

Our fields are holding up well, and as membership grows, so do our fields. We are ever grateful for the sponsorship from our members, and this hugely assists the viability of our Club competitions.

I will continue to use this forum from time to time, to update members and visitors to our web site, on the major happenings at Lowood Golf Club.

ETIQUETTE OF GOLF

The lowest marker of each group of players is responsible for the observance of the following:

- Immediately a ball is lost, and a search commenced, call following players through and do not continue play until such players have passed and are out of range. The Rules of Golf allow (3) minutes to search for a lost ball.
- Slow players who fall at least one fairway behind the preceding group **MUST** call following players through.
- Move briskly between shots.
- Players should leave the putting green when all strokes are expended. Mark your scorecard while on the next tee.
- Replace divots and smooth out bunkers.
- Do not play any shots until players are out of range.

In taking practice swings, players should avoid causing damage to the course.

NEW MEMBERS

Sponsors of new members should introduce them to the Committee and other members. They should ensure that new members are aware of all the rules governing the conduct of the Club.

A new member will be eligible to play in competitions after he/she has been allotted a handicap. A handicap will be allocated after three cards have been submitted. A handicap round may be completed any time, **provided the score card is signed by a marker (member).**

COMPLAINTS

All complaints about the course or the staff must be made to the Secretary of the Club. All complaints are to be submitted in writing and must be signed.

TROPHY DONORS

The Club is grateful for all Trophies donated, and our thanks are extended to all who have shown their generosity in this matter. Trophy donors, who choose to donate their own trophies, are asked to bring along their trophies, one week prior to the date set down, (perishable goods excepted) so they may be displayed beforehand and presented on the day of the sponsored event.

CONDITIONS OF COMPETITIVE PLAY

The Rules of Golf, Local Rules and By-Laws of the Club are the Rules of Play.

- To be eligible to nominate for any Club Championship event, **all members** must return 3 single event competition cards on this course in the current year.
- **Competition/Green Fees must be paid for all competitions including Matchplay events and all other Honour Board events.**
- Non-financial members are not eligible to play in competitions.
- No player is eligible to win more than one major trophy in an event, unless otherwise stated (eg; Monthly Mug & Single Stableford event).
- **A score card incorrectly marked or not signed by the player and marker is subject to disqualification. The Match Committee may alter a stableford result but cannot alter a stroke score.**
- **It is the responsibility of the Player to ensure the correct handicap is on the score card.**
- Ties in Club Championships will be decided by a sudden death play-off.
- Ties in all Club competitions, except Club Championships, will be decided on a count back.

RECIPROCAL CLUB ARRANGEMENTS

Lowood & District Golf Club Inc. treats visitors from **all clubs** as though they are reciprocal in respect to the payment of competition fees. This means visitors pay the same competition fees as members. This arrangement is reviewed from time to time, and we hope that all other clubs will reciprocate accordingly.

However, we do have specific Reciprocal Arrangements in respect to the following Clubs.

Boonah Golf Club

City Golf Club (Toowoomba)

Esk Country Golf Club

Gatton Jubilee Golf Club

Rosewood Golf Club

Toogoolawah Golf Club

Wolston Park Golf Club

The Reciprocal Arrangements are:

1. Visiting members pay the same competition fees that apply to our members for that day's event.
2. Visiting members pay the same cart hire fees that apply to our members.
3. If playing social play only, visiting members pay 50% of the social player's fee.
4. A visiting member is eligible to enter minor golf competitions conducted by our Club, but may not enter a Club Championship, Monthly Mug or have their name inserted on any perpetual trophy event.

UPDATED LOCAL RULES (30/4/2022)

PLAY THE BALL AS IT LIES:

The preferred lie local rule no longer applies. The ball must be played at it lies. Exception to the rule is if the ball lies in a Hazard or is affected by Tree Roots or Significant Bare Patches on Fairways plus Cart Tracks. (Refer Local Rule).

BUNKERS:

Animal and Bicycle prints in bunkers. Lift the ball, repair the print and replace the ball.

TREE ROOTS:

Where a TREE ROOT interferes with the lie of the ball or the players stance or swing, One Club Length Relief, no nearer the hole, applies through the green.

FLAGSTICK:

The flagstick may be left in the hole when putting, at the player's discretion.

SIGNIFICANT BARE PATCHES: FAIRWAYS AND CART TRACKS

Preferred lie at nearest point of relief, no nearer the hole. There is no preferred lie on bare patches in the rough, not being cart tracks.

BALL DEFLECTED BY POWER LINES, POWER POLES OR STAYS:

If it is known or virtually certain, that a player's ball hits any power pole, lines or pole stays throughout the course, the stroke does not count. The player must play a ball without penalty, from where the previous stroke was made. (See Rule 14.6 for what to do).

OUT OF BOUNDS: - (Rule 18.2)

When a player's ball has not been found or is known or virtually certain to be out of bounds, the player may proceed under the Stroke and Distance **Model Local Rule E-5**, for a penalty of two strokes, rather than proceeding under Stroke and Distance Rule 18.2. This Local Rule is not available, if a provisional ball has been played. See Model Local Rule E-5 for full details of the Local Rule.

ABNORMAL COURSE CONDITIONS: - Rule (16.1)

IMMOVABLE OBSTRUCTIONS – Relief MAY be taken:

Concrete Drain Culvert on 3/12 Fairway, Sprinkler Heads, Irrigation Boxes, Ant's Nests and Trails, Distance Markers and Safety Screens. These are classed as immovable obstructions. Rule 16.1 applies. **Model Rule E-6 may be applied to Safety Screens.** *** Refer below.

NO PLAY ZONES: - Relief MUST be taken (within 2 club lengths):

When playing the 3/12 hole, the Main Bitumen Roadway, and the General area beyond this roadway. Relief must be taken at the point where the ball crossed the fence line on the 3rd hole.

Practice Green, Staked Trees and Shrubs (including wrapping) under 2 metres tall, and Greenkeepers Refuse.

Clubhouse and Car Park – As an extra option, a player may drop the original ball or another ball in the dropping zone, designated by the red paver in front of the 10th Tee Box.

Overflow Car Park and Garden Area behind the 9/18 Green, a player may drop the original ball or another ball in the dropping zone, designated by a red paver under the tree at the back of the 9/18 Green.

MODEL LOCAL RULE E-6: LINE OF PLAY RELIEF FOR PROTECTIVE FENCE ***

During play of the 4th Hole, if the Protective Fences on the 5th & 14th tees are on a player's line of play:

- The player **may** take free relief by dropping a ball in and playing it from the dropping zone to the left side of the Protective Fence on the 5th tee.
- **But** this relief is allowed only if the ball is in play nearer the hole than where the dropping zone is located (see Rule 14.3).

STORM HORN:

The Storm Horn will be sounded when a member of the Committee believes it is dangerous to continue play in the current weather conditions. You are requested to return to the Clubhouse immediately.

PENALTY FOR BREACH OF LOCAL RULES:

Unless otherwise noted, the penalty for a breach of a Local Rule is the general penalty. (Stroke Play – Two Shots, and Match Play – Loss of Hole).

These Rules should be read in conjunction with the Rules of Golf and any temporary Local Rules.

GOLF CART OPERATION: (Local etiquette rule not incurring a penalty for a breach)

It would be appreciated if players did not drive or park their golf cart within five (5) metres of the edges of greens and bunkers.
